### Acupuncture Financial Hardship Fee Reduction Program Application

Laura offers an acupuncture fee reduction program to those in financial hardship who are in need of **regular treatment for a period of time**. The fee is determined on a case-by-case basis.

#### How does this program work?

1. Patients have an initial new patient appointment at the regular fee.
2. Afterward, Laura discusses the treatment and fee plan. Her approach to acupuncture is to commit to a treatment schedule that achieves a resolution of symptoms – weekly or twice a week for a period of time.
3. When your treatment time frame ends, you can discuss an extension if needed to reach symptom resolution.
4. Once you've healed your condition or made significant progress, you can discuss a maintenance plan – monthly or bimonthly.
5. If your condition is chronic, you can discuss an ongoing treatment schedule – weekly, biweekly, or monthly.
